

CONSENT FOR ACCESS TO PROPERTY

Name: GenNx Properties VI, LLC

Address of Property: Michigan Meadows Apartments
3800 West Michigan Street
Indianapolis, Indiana

I consent to officers, employees, contractors, and authorized representatives of the United States Environmental Protection Agency ("U.S. EPA") entering and having access to the property, at the address identified above for the following purposes:

(1) Advancement of soil borings in the vicinity of the sewer line which runs parallel to Michigan Street and taking soil and groundwater samples from these borings. I understand that EPA will withdraw the probes, seal the borings, and restore the ground surface and any disturbed pavement to its previous condition to the extent practicable after the samples are taken.

(2) Taking any response action to address any release or threatened release, during the activities in (1) above, of a hazardous substance, pollutant or contaminant which U.S. EPA determines may pose an imminent and substantial endangerment to the public health or the environment.

EPA estimates that the work for which access is requested will be accomplished in a single day.

I realize that these actions taken by U.S. EPA are undertaken pursuant to its response and enforcement responsibilities under the Comprehensive Environmental Response, Compensation and Liability Act of 1980, as amended, 42 U.S.C. §§ 9601-9675 (1997).

This written permission is given by me voluntarily, on behalf of myself and all other co-owners of this property, with knowledge of my right to refuse and without threats or promises of any kind.
